

IBRAHIM ALMUJTABA

EXPERT PROJECT MANAGER | MSc, PMP®

+966 540340200 | ENG.IBRAHIMAA@GMAIL.COM | Riyadh, Saudi Arabia

EXECUTIVE SUMMARY

PMP-certified Expert Project Manager with over 10 years of strategic leadership in executing multi-million SAR infrastructure and healthcare projects. Proven expert in the EXPRO framework and PMO governance, specializing in stakeholder alignment, value engineering, and high-stakes contractual dispute resolution. Delivering operational excellence by reducing budgets up to 50% through rigorous resource optimization.

PROFESSIONAL EXPERIENCE

Expert Project Manager 2025.01 – Present

EXPRO (Expenditure & Projects Efficiency Authority) | Special Projects Dept.

- Leading strategic oversight for government mega-projects, ensuring cross-entity coordination and compliance with national efficiency benchmarks.
- Managing performance of Tier-1 PMCs and site consultants, enforcing strict quality standards and milestone adherence.
- Key member of the Dispute Resolution Committee, evaluating high-value claims and mitigating contractual risks for state-level projects.

Project Manager 2019.10 – 2024.12

Ministry of National Guard Health Affairs | PMO

- Directed a portfolio of 10+ healthcare infrastructure projects, managing stakeholders, vendors, and end-to-end clinical facility delivery.
- Spearheaded the Women's Health Hospital testing and commissioning, neutralizing 100% of snag list items for a seamless handover.
- Executed value engineering audits that optimized material procurement and resource allocation across multiple hospital sites.

Senior Project Engineer 2017.08 – 2019.09

Ministry of Media | PMO

- Orchestrated the Hajj Mission Portfolio (\$20M SAR), managing 30+ stakeholders and achieving a historic 50% reduction in hospitality/renovation costs.
- Pioneered a financial recovery strategy for legacy projects (2009-2012), securing Ministry of Finance approvals and releasing 40M SAR in frozen payments.
- Led technical bid evaluations and RFP development for national-scale media infrastructure deployments.

Project Engineer

2014.11 – 2017.06

Saudi Binladin Group | PMO / Site Division

- Managed the scope documentation and as-built drawing approvals for the Third Expansion of the Makkah Holy Mosque Mega Project.
- Supervised a technical team of engineers and drafters, ensuring 100% technical compliance with consultant and regulatory requirements.
- Facilitated critical interface coordination between site operations and the PMO to expedite material logistics and structural inspections.
